PETITION TO REVIVE

Commissioner for Patents  
Washington, D.C. 20231

RECEIVED

MAY 29 2002

Dear Sir:

OFFICE OF PETITIONS

Please revive this application.

It was unintentionally abandoned, as seen from the attached Declaration from the Applicant. Applicant has declared that before May 2002 he did not intentionally abandon this application and that he has had no intent to abandon this application at all subsequent dates (i.e., to even date herewith). The file history shows a Notice of Abandonment issued on May 9, 2002, and Applicant Declaration therefore means from before May 9, 2002 to current that he had no intent to abandon the inventions and the present application. The abandonment was therefore unintentional.

Applicant has revoked all prior powers of attorney. Please mail PTO correspondence to the undersigned consistent with the directions in the Declaration in Support of Petition to Revive.
